Combat Pistol Course

Tactical Pistol Course (Basic)

Our Basic Tactical Pistol (Combat Pistol) Course is designed for the individual with a basic knowledge of handgun shooting, from the military and law enforcement fields. The course is reserved to active and reserve military and police personnel only. This is an operationally solid and tactically fundamental, fast paced course that will teach you to not only meet the threat but to DEFEAT it! This course will start with the common fundamentals of handgun safety/shooting and will quickly progress to more advanced tactics and techniques. This foundation will be built on – by using our combat proven tactics - to prepare you to engage targets and situations that you will find in real life. This is NOT a 'stand and shoot' course – you WILL shoot, move and react! You will learn to shoot on the move. You will learn to accurately shoot from any position. You will learn to TAKE THE FIGHT TO THE ENEMY. Move-Shoot-Fight-Win! You will be treated with respect and as a fellow professional. You will learn not only the tactical capabilities of your pistol but more importantly – you will learn the tactical capabilities of yourself! You will have fun, enjoy this course and come away from it a better, more tactically proficient shooter ready to defend your own life and those of your family and team-mates.

Be prepared, upon successful completion of the training as an additional bonus you will also test for & be awarded the United States Army Marksmanship Badge (Pistol) and Certificate!

The EPA's Combat Training Center can conduct Basic Tactical Pistol (Combat Pistol) Course at your location using our Mobile Training Team - MTT. Using your equipments, weapons and ammunition we can tailor and customize the course to your equipment and tactical requirements.
