Precision Rifle Course (Basic)

SNIPER Course

Our Basic Precision Rifle (Sniper) Course is designed for the individual with basic shooting skills & experience, from the military and law enforcement fields. The course is reserved to active duty military and police personnel only. During the course the participants will learn the marksmanship techniques of US Army and Police Snipers and according to the US Police Force's regulations will be qualified for the prestigious SNIPER Badge after have successfully completed the training.

This intensive Precision Rifle Course is designed to instruct, challenge and motivate you. Each block of instruction has been thoughtfully developed using experiences from intense international combat operations to complex civilian situations. Over the last 20 years your primary instructor has applied all of these universal tactics & techniques in numerous successful SNIPER Operations in Iraq, Afghanistan and the United States, determining what works.

The days will be fast paced, high energy and productive. This comprehensive course will provide you with thorough training in tactics and techniques that will save your life and the lives of your comrades and allow you to take this knowledge back to your home units and pass it on. You won't just learn to survive the fight – you will take the fight to them!

Be prepared, you will EARN the SNIPER Badge & Certificate! During the course you will have the opportunity to do the US Army Marksman Test and qualify for the Army Rifle Marksmanship Qualification Badge.

The Combat Training Center of the European Paratroopers Association can conduct a Basic Precision Rifle (SNIPER) Course at your location using our Mobile Training Team - MTT. Using your weapons and ammunition we can tailor and customize the course to your equipment and tactical requirements.
